

Exclusive Opt-In Timeshare Resales & Exit Leads

G2LeadsToSales offers **Timeshare Exit** and **Timeshare Resale Leads** to help timeshare companies make more sales with less effort.

G2LeadsToSales offers several types of Timeshare Leads. These include our most popular **Real-Time Opt-In** Timeshare Leads, our **Aged Leads** which are 60 days old to no older than 365 days. We also have our **Timeshare Owners List**, many of which want out of their timeshare. This list has been verified early in 2021 and contains **1.3 Million** Timeshare Owners. The 1.3 Million Owner list includes Timeshare Owners Name, Phone Number, Mailing Address, and Email address.

- Our Real-Time and Aged leads average **23 pieces of data for each lead** while most lead providers only give you 7. Today Information is King.
- Tired of timeshare owners not answering their phones when you get the lead? Our exclusive **Pre-Call system has increased first-call answers by 14%**. You can read more detail about our Pre-Call system on our website at this link: [Pre-Call - How to Use it to increase your contact rate.](#)
- You get our leads only **5 minutes after the timeshare owner gave us his information**. Fresh and responsive means easier close.
- Our real-time leads are **100% Timeshare Owner Opt-In**, low cost, and have more features than any other lead company.

Our Real-Time Opt-In leads are Exclusive for 60 days. That means G2LeadsToSales will not sell that lead to another company for 60 days even if the Timeshare Owner fill out another form. When our Real-Time leads become 60 days old or older, they become **an Aged Lead**.

Currently, our Aged Lead file contains 2800 leads ranging from 61 days to 365 days old. The Aged Lead file has been getting excellent feedback. Everyone so far who has purchased it has closed several deals in the first few days of calling from it. The Aged Lead file sell for \$300.00 for all 2800 leads and is sent to you in .CSV format making it easy to load into your favorite Spreadsheet, Dialer Software, or CRM.

Our leads come from Timeshare Owners who have specifically been searching the internet for ways to 'get rid of their timeshare'. This is **NOT** just a data list of owners.

Page 2 of this document contains an actual screenshot of a Real-Time Timeshare Exit Lead. This is what our leads look like when they arrive in your Email. Take note of all the information included.
